In our service today,
we'll be talking a lot
about PLANS.

The dictionary says that a **PLAN** =
**a way something is to be done that
is thought out ahead of time
OR
the action one intends to take**

With the pandemic,
we've had lots of our plans change.
Circle all the ways that you know
plans have changed for you, your
family, and your friends.

School church services
Time with friends jobs
summer camps travel
Time with grandparents
Going to the store
Time with cousins/family
How we help others
Summer holidays
What else? _____

Sometimes it's hard and frustrating
to have our plans change—and to
wonder what's going to happen.

But God promises to be take care of
us and love us—NO MATTER WHAT!
Trusting that God can do that is
Important for each of us to do ...
And it makes us feel better.

Look up these verses in the
Bible ... or have someone older
read them to you. God has a
PLAN for each of us, and he
promises to help us ... in good
times and hard times.

God says (Jeremiah 29:11)

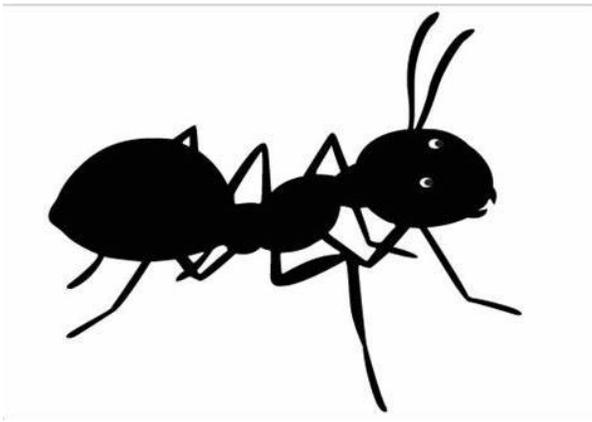

“For you know the _____
I have for you,” declares the
Lord, “_____ to prosper
you (that means HELP!) and
not to _____ you, plans
to give you _____ and a
_____!”

And Jesus says

in Matthew 11:28:

“Come to me, all you who are
_____ and _____
And I will give you _____.”

That's GOOD NEWS! 😊
