

Neland Church

Worship Guide for Children
Sunday, September 20, 2020

In the worship video this morning, who is the person leading the readings and prayers? You might recognize her from singing time!

“Gather Us In” ...

Our first song this morning reminds us that God gathers his people to worship him!

Neland members and Christians from across Grand Rapids and across the world are worshipping God today!

Look at the globe below. Put an X on the spots where you know people or places you’ve learned about in school.

IMPORTANT NOTE: New story available today from Children and Worship!

Pastor Joel will be preaching
from the story of Jonah this week.
Read the story from a Children's Bible
or Bible story book with your family.
Then think about these things—

What did you notice about God and how God shows
his love and care for people?

What did you notice about Jonah and how Jonah acts?

NOW ... act out the story. You could do it with your family or
you could use Lego people, Playmobil people, etc.
What could you use for a BIG fish or whale? Create a short
video of your story and send it to a friend, a grandparent,
Mrs. Hendriksen or one of the pastors at church!
