Be a detective! How many BIBLES do you have at your house? Count them as a family or each count them and compare your findings!

Write your number here: _____

For fun: Email Mrs. Hendriksen and let her know your total.

She'll email you back and give you her total!

We come to worship God

Today we remember, in a special way, the importance of God's Word,
the B _ _ _ _ .

500 years ago, the Church had a **rebirth**,

a **REFORMATION**, that totally changed the people's way of life.

With the help of *reformers* like Martin Luther and John Calvin,

Christians rediscovered the great news of the Bible—

that *Jesus Christ alone saves us from our sins*.

People were finally able to have their own copy of the Bible ...

instead of just hearing the priest or pastor read it in church.

We celebrate the importance of the **Bible**,

which brings each of us that great message.

What's something that you know is true because you know it's in the Bible?

This morning, the second graders will receive a Bible from Neland Church.

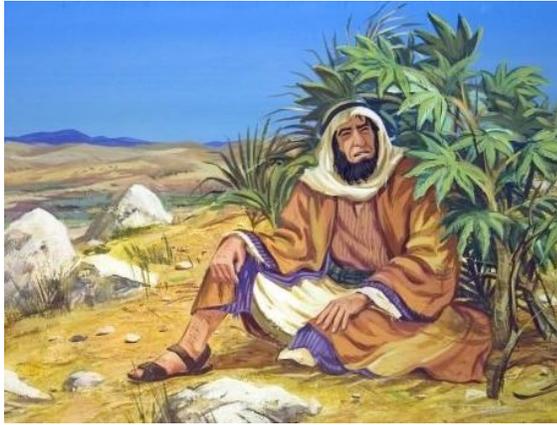

Write down the second graders you see!

IMPORTANT NOTE: New story available today from Children and Worship:

Look for the link in the "Worship Resources" email from church!

Pastor Joel will be preaching about the prophet JONAH again today. Look in your Bible and find out more in Jonah 4.

There's a "before and after" here in the story.

Before

After!

God provided a leafy green plant for shelter. But then what happened?

It's very strange? Why do you think God sent the worm?

Think of a time when you were sad or mad at someone.

How can God help you when you are sad or mad?

God wanted Jonah to bring the good news of his love to Nineveh.

Sometimes it's hard to show love to other people,

but God gives us the strength we need.

With your family, think of 2 ways that you can show God's love to people you know this week!
