Be a detective!

Ask a parent or other adult to help you investigate. What are 3 reasons that people don't have enough food (what causes this problem?)

We come to worship God ...

Our good and loving God wants everyone to have enough—
enough food, enough love, enough peace.

Today we especially remember the 1 billion people in our world who are **hungry**. Do a little math. How many times the size of Grand Rapids is that?

(Hint: If about 200,000 people live in Grand Rapids, then divide 1,000,000,000 by 200,000. What do you get? _____)

God loves and cares about all those people—including lots of kids.

How will you show God's love to hungry people today?

Now have some fun! Look online or ask your parents to help you find a simple, homemade bread recipe. After you make it—enjoy some while it's fresh and warm ... and remember to pray for the hungry people in the world and give thanks to God for the gift of food that you enjoy!

Pastor Cindy will be
preaching about
GENEROSITY.

Find Psalm 112 in your Bible.
What does God say about
being generous?

Psalm 112, Vs. 5 ...

Good will come to those who are _____ and lend _____,
who conduct their affairs with _____.

Psalm 112, Vs. 9 ...

They (God's people) have _____ scattered their gifts to the _____,
their righteousness endures forever.

Talk about this with your family ...
When is it hard to be generous?

What are some ways that you can be generous with

Your food _____

Your toys/games _____

Your time (to help people) _____

People at school _____

Your family's resources _____
