Epiphany

Epiphany starts with the visit of the Magi to Jesus, but it continues with the stories of Jesus as he was growing up and starting his work here on earth. When Jesus was 12 years old, he visited the temple with his family—and decided to stay there for 3 days.

Read the story from Luke 2 or a Bible story book. Then choose:

- 1) Draw a picture of the story—with lots of details!
- 2) Write down 3 things that you noticed or wonder about.

Jesus shows us that kids are important—that God cares about kids and that they can learn and teach God’s people about how to LOVE and SERVE him. Think about a way that you LOVE and SERVE God in each of these areas of your life ... write the words or draw a picture.
