What special instruments do you notice in today's service?

-----

## God loves us and cares when we are hurting.

Today we will hear about 2 of Jesus' healing miracles: a woman was healed after she touched Jesus' robe, and a little girl was raised from the dead! Listen to Pastor Shannon read it or read it yourself in Mark 5: 21-43.

Do you ever wish that you could just see Jesus and touch his robe too?

What do you wish Jesus would fix or heal for you? (it might be something that hurts in your body, or in your feelings, or in your family or school)

We can't touch Jesus, but we can talk to him in prayer every day!

Make a list of things that you want Jesus' to fix or heal ... people who are sick or sad, problems you have, things in the world ...

Then use it as a prayer list this week—by yourself or with your family.

Jesus gave us a special prayer to use every day!

Color these pictures.

Then use this in your family devotions sometime this week!
