In this season of Epiphany, we remember that

Jesus is the L _ _ _ _ of the world!

Color the star and write 10 words that remind you that

Jesus shines hope and healing into our world.

Pastor Joel will be preaching about Jesus being tempted by Satan in today's sermon.

I wonder: What was the most important thing Jesus did

to fight against Satan? What do you think?

Because of SIN, there is also still a lot of DARKNESS in our world. One of the really dark things is RACISM—when people and groups use their power to hurt other people because of the color of their skin.

This man, Dr. M_____ L_____ K_____, Jr., was a Christian who loved God and people and worked hard to fight against RACISM and to fight for freedom and a better life for black people. Many others have also joined this fight. You can too! Read books, pray, ask questions, talk to your teachers and parents, and love people like Jesus loves people.

How did Jesus love? Jesus said,

³⁷ Love the Lord your G__
with all your h_____ and with all your soul
and with all your m_____.

³⁸ This is the first and greatest
C_____.

³⁹ And the second is like it: L___ your
neighbor as yourself.

Matthew 22: 37-39
