Be a detective!

We'll sing the song "There Is a Balm in Gilead" this morning. It's an African-American spiritual that talks about God giving us healing—a balm—like medicine for a sore. What hurt or wound do we especially need God's healing for? \_\_\_\_\_

We begin our worship today with songs of praise.

What are 5 things that you give God

Pastor Cindy will be preaching about Jesus and his desire that all people be healed—  
In body, mind, and spirit.

What do people need healing for?

Fill the cross with words! Then color the cross.

(Think: bodies, minds, feelings, families,  
countries, schools, neighborhoods ... you may want to name  
certain people that you love who are sick or sad)
