Be a detective!

How many different instruments are
played in today's service?

The Bible says "Don't be afraid" over 300 times!

God knows that we often feel afraid.

What are things that make you feel afraid?

God reminds us that he is ALWAYS with us and

God will help us and take care of us.

And God sent JESUS—who brings us life and hope.

Our story from the Bible today includes the words

"Don't be afraid." Listen for them!

Today Pastor Cindy will be preaching from Matthew 17 -
The story of Jesus'

TRANSFIGURATION:

which means to CHANGE in FORM or APPEARANCE

What happened to Jesus on the mountain?

Color the picture below.

Look at the two pictures.

The second one was painted by Neland artist, Mary Jane Pories.

What do you notice that is the same? What's different?

How do they help you think about Jesus' GLORY?
