We sing songs to PRAISE God.
Circle all the songs in the bulletin.

How many did you find? ____

Put a star by one you like.

Today Pastor Cindy will be helping us learn more about what the Bible says about TREES. One verse is from Isaiah 55:12-13:

You will go out in _____
and be led forth in peace;
the mountains and hills
will burst into _____ before you,
and all the _____ of the field
will clap their hands!

Draw a picture of a beautiful tree! Share it with Mrs. Hendriksen
and we'll use it on the screens during church sometime soon!
