We have entered a new season—
FALL! Our God is faithful and keeps his
promises of new seasons every year.
What's something you notice outside?

Our loving God holds the whole world in his hands.

And God gives US the job of caring for the world with our hands.

What's a good thing we do for God's creation?

What's a sad and harmful thing we do—that we need to grieve and fix?

Today **ANNABELLE DE VRIES** will be making her Profession of Faith.

She'll stand up and say that she **LOVES JESUS**.

We also say the **Apostles' Creed** to say what we believe about God—the **Father, the Son, and the Holy Spirit**.
