Be a detective!

How many Bibles do you have in your house?

\_\_\_\_\_

Can you imagine a time when people didn't have their own Bibles? Give thanks for your Bible!

## We come to worship God

Today we remember, in a special way, the importance of God's Word,

the B \_ \_ \_ \_ .

500 years ago, the Church had a **CHANGE**,

a **REFORMATION**,

that totally changed the people's way of life.

With the help of *reformers* like Martin Luther and John Calvin, Christians rediscovered the great news of the Bible—

that *Jesus Christ alone saves us from our sins*.

Many people were finally able to have their own copy of the Bible ... instead of just hearing the priest or pastor read it in church.

We celebrate the importance of the **Bible**, which brings each of us that great message.

What's something that you know is true because you know it's in the Bible?

---

**Neland 2nd graders will each receive a Bible from Neland Church this morning.**

**Who do you see up there? \_\_\_\_\_**

This morning Pastor Joel will be reading from the book of Exodus again. God's people are STILL stuck in Egypt and now the king (Pharaoh) is going to make their work even harder and unfair by telling them to make bricks without giving them the \_\_\_\_\_ that they need.

What does God do? \_\_\_\_\_

On the bricks below, write some things that make life really HARD for some people.

What does God do to help? \_\_\_\_\_
