Worship Guide for Children

March 2, 2025

Be a detective!

Who is leading our worship today?

We come to WORSHIP God
because God LOVES us and we LOVE God.

How does God show LOVE to you?

Today Pastor Joel will read the story of Jesus'

TRANSFIGURATION!

Listen to the story and notice the strange and interesting things that happen to Jesus up on the mountain.

The most important thing is that

God wants us to LISTEN to Jesus.
